Meet

QUBO

Home Tab

The Qubo Home Tab is a game-changer for home security, offering seamless convenience and putting you in control from anywhere in your house. Imagine using a tablet to answer the door, have crystal-clear conversations with visitors, and keep an eye on your doorstep – all through a single, intuitive interface.

Here's how the Qubo Home Tab enhances your security:

Large 8-inch Screen Advantage: View live video feed from your doorbell camera on a big & clear screen.

Crystal-Clear Communication: Talk directly with visitors with clear two-way audio. Hear and be heard perfectly, wherever you are in the house.

Convenience at Your Fingertips: Whether you're relaxing on the couch or doing chores in the kitchen, answer the door and manage your home security from the comfort of your Home Tab. No need to rush to your phone or be tethered to a specific location.

Wireless Freedom: Unlike traditional video doorphones, the Qubo Home Tab isn't wired to the doorbell itself. The wireless connectivity allows you to place it anywhere in your house for maximum convenience.

What's in the BOX?

Power cable

Qubo Home Tab

Screw

Power Adapter

Stand

Safety Guidelines

Use responsibly. Read all instructions and safety information before use.

 Failure to follow these Safety Instructions could result in fire, electric shock, other injury or damage.

- Do not immerse the device in any kind of liquid.
- Do not attempt to dry the device using an external heat source such as a microwave oven or a hair dryer.
- Clean the device with a dry soft cloth. Do not use abrasive or harsh chemicals.
- Keep the device and all its components out of reach of children and pets.
- Do not expose the device to steam or extreme temperatures. The safe operating temperature for this device is between 0°C and 45°C. Keep the device out of direct sunlight.
- Only use the power adapter and cable included with the device. If the power adapter or cable appear to be damaged, stop using it immediately and contact Qubo Customer Care.
- Do not plug multiple devices into the same wall socket.

- Install the device in accordance to the building and city code.
- All Qubo products and services are meant for ages 18 and above.
- This device is meant to be used as a monitoring device for personal use only. This is not intended to be used as a safety product.
- This device does not alert, signal or trigger any kind of response via a panic button or siren.
- This device is intended for non-time critical control and management of data and property.
- Our products and services will require certain input parameters to perform hassle free; including but not limited to an active internet connection and live power supply.
- Users are solely liable for storing and managing the data and information that is stored on the device or via services. We are not responsible for the loss or management of such data.
- Do not touch the device or wires connected to the device during lightning.

2. Hero Electronix Pvt. Ltd. reserves the right to make changes to existing services without prior notice, at its sole discretion.
3. Images used are for reference purpose only. Actual product might vary in terms of colour and composition.
4. All related logos are trademarks of Hero Electronix Pvt. Ltd.
5. Certain features may not be available at the time of launch.

WARRANTY CARD

Limited Warranty Statement

Thank you for selecting the Qubo Home Tab by Hero Electronix.

NOTE: This is a simplified and concatenated version of the standard warranty terms and conditions. For the complete warranty terms and conditions, please refer to the website link given at the end of the document. Alternatively, you can reach out to our toll free helpline number to know about the same.

IMPORTANT

Please retain your receipt as proof of purchase.

HERO Electronix Private Limited warrants to the owner of the Qubo Video Door Bell Pro, (henceforth referred as Device) that the Device will be free of defects in material and workmanship for a period as mentioned below.

Item	Warranty Period	Scope of Warranty
Device	1 year from the date of purchase	This warranty covers only the defects in products arising from manufacturing or faulty workmanship.
Adaptor	6 months from the date of purchase	
Cable		

During this warranty period, if any defect arises in the Device, HERO Electronix will, at its sole discretion, either (i) repair the Device free of cost with either new or refurbished parts, or (ii) replace the Device with a new or refurbished Device that is equivalent to the Device to be replaced. This limited warranty applies to any repair, replacement part or replacement device for the remainder of the original warranty period or for 90 (Ninety) days, whichever period is longer.

This limited warranty is non-transferable.

This limited warranty is only valid in India.

Instructions:

For specific instructions about how to obtain warranty services for your Device, please contact our toll-free helpline. In general, you will need to deliver the Device in either its original packing or in equally protective packing to the address specified by Customer Service. HERO Electronix will bear all the cost of the return shipping to the owner except with respect to any Ineligible Product (defined below), for which the owner will have to bear all the cost.

This limited warranty does not cover the following: (Collectively Ineligible Products)

- (i) If the warranty seal on the Device is broken.
- (ii) Devices that have been subjected to: (a) modifications, alterations, tampering or improper maintenance and repair (b) handling, storage, installation, testing or use not in accordance with any User Guide, Placement guidelines, other instructions provided by HERO Electronix (c) abuse or misuse of the product (d) breakdown, fluctuations, or interruptions in electrical power or the telecommunication network; or (e) Acts of God, including but not limited to lightning, flood, tornado, earthquake or hurricane.
- (iii) Errors and damages caused by: (a) liquid ingress, or spilled food, or physical abuse, or normal wear and tear, (b) use of or being connected to any accessory which was not supplied or authorised by HERO Electronix.
- (iv) Plastic components like the mounting plate and angle wedge.

Correct disposal of the product

In case you need to dispose of this device at any time in the future, please contact our toll-free helpline. To facilitate effective utilisation of resources, we will arrange the disposal of this device as per the prevailing laws. Please note that electrical products should not be disposed of with household waste.
